MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Herbert E. Meyer
Vice Chairman, National Intelligence Council

SUBJECT: Approval to Distribute Draft IIM 84-10005:
The Aegean: A New Look at an Old Problem to NFIB
Representatives

1. Attached for your review is the subject draft which was prepared by [] the NIC/AG. We considered the May 18 comments made by the Senior Review Panel and adopted their suggestion that this paper be delayed "until the Cyprus NIE is completed so that its judgments can be factored into Aegean scenarios." Also, we have chosen to describe possible scenarios involving military conflict in detail in the Cyprus NIE. Other adjustments in the Key Judgments and the text of the Aegean IIM recommended by the SRP are also to be found in this draft.

25X1

- a one-page tabular summary of issues separating the Greeks and Turks is provided in the Key Judgments.
- a description of the several maps to be included in the final draft will be distributed to NFIB representatives.
- the Key Judgments have been expanded to include a description of the Soviet role, the importance of domestic factors, and possible negotiating frameworks.
